Ofsted Education and Skills inspection Preparation for Governors

A workshop designed to support governors understanding of the Ofsted Education and Skills Common Inspection Framework and the role and challenges they are likely to face prior to and during the inspection process.

A 90 minute to 3 hour workshop delivered to governors, as part of governor meetings or as a stand alone event:

An increasing emphasis is being put on the role of governance to drive improvements, in all aspects of provision, and hold senior leaders accountable for the performance of the organisation.

This workshop provides an understanding of the current Ofsted Education and Skills Inspection Framework and the role and challenges faced by Governors prior to and during an inspection.

A workshop for governors and senior leaders incorporating:

- Exploring the Common Inspection Framework; roles and responsibilities
- Recognising best practice in governance
