Self Assessment Review Validation

Landex members are offered support in the reviewing of their SAR processes and evaluations, including the underpinning judgements and validity in evidencing college self-improvement.

A one or two day onsite activity tailored to review SARs (draft or final) for land-based curriculum areas, incorporating:

- Consideration of the judgements, evaluations and evidence provided
- Review of the resulting quality improvement plan / actions
- Scrutiny of the validity and reliability of data presented
- Advice on the expectations and preparations to meet the criteria for the CIF from September 2015.
