

## National Land Based College – Recruitment of Non-Executive Directors

The National Land Based College (NLBC) is an exciting initiative, established in 2015 to *Champion Skills Development for Land Based Industries*.

NLBC's **Vision** is to support land based industries in developing a strong life-long learning culture, which will result in improved productivity and quality across the whole sector.

Following its initial phase of development, it now seeks to recruit 2 additional:

### Non-Executive Directors and Trustees

who are actively engaged in and have a thorough knowledge and understanding of the needs of businesses and their employees in at least one of the land based sectors'.

Further details of this exciting voluntary opportunity to help shape the future of the College, are available from [www.nlbc.uk](http://www.nlbc.uk) or from [zoelee@landex.org.uk](mailto:zoelee@landex.org.uk).

Interested applicants are invited to hold an informal discussion with NLBC's Vice-Chair, Charles Matts [charles.matts@brixworthfarming.co.uk](mailto:charles.matts@brixworthfarming.co.uk).
