

Practical Instructor Training – how to achieve excellence in practical lessons and commercial experience

This practical, interactive workshop focuses primarily on how learning can be maximised in practical sessions. With the ever increasing demands on practical instructors to deliver wider skills as well as technical skills development, this session will focus on what instructors can do to facilitate outstanding learning

This workshop will incorporate:

- Understanding how to differentiate and to stretch learner's knowledge and understanding
- How to use effective questioning techniques within practical settings
- Meeting the current expectations of Ofsted in terms of supporting and preparing learners for life in modern Britain
- Planning activities surrounding routine duties as a meaningful learning experience
- Ideas to improve the effectiveness of learning environments and practical spaces
- Embedding and advancing English and maths skills in the practical environment
- Providing feedback and assessment opportunities in the vocational setting
