Curriculum Review

Overview

Professional discussions held with Curriculum and Senior managers to review curriculum design and delivery. This review can support leaders in maximising the opportunities to evidence breadth and strength in programme offers and may include:

- The vision or purpose of study programmes offered
- Evidence of engagement with the sector in curriculum design
- Effective structuring of the learning programme to enable skills development
- Evidencing impact of the study programme

Duration

1 - 2 days

Target Audience

Middle Managers - Curriculum Leaders / Heads of Department
