

# Target Setting and Measuring Progress in Study Programmes

## Overview

This practical workshop will explore target setting and how it can be used to challenge learners in all aspects of their programme of study. This training will ensure participants are able to:

- Recognise targets that develop a learners' skills, knowledge and behaviours in all aspects of their learning
- Enable learners to create individualised and valuable targets
- Promote independence in target setting using a coaching approach
- Identify approaches to effectively tracking progress
